THANK YOU for your GOOD DEAL SHED PURCHASE!

Below you will find some information that will help you maintain your new building and insure you receive the most life out of your building.

Annually washing the outside of your building with a mild detergent and water will help preserve color and longevity of your metal. Remove debris from the roof and trim to assure proper drainage.

DO NOT GET ON THE ROOF OF THE BUILDING WHILE UNDER SNOW/ICE LOAD.

Do not leave shed doors open during wind storms.

If one of the 500 to 3,000 screws washers leak, put a dab of 100% silicone over the screws head.

Good Deal Sheds recommends adding your building to your home owners insurance. Insurance is required for RENT TO OWN buildings. Good Deal Sheds 1-606-871-7303
